### AM29LV010B-90JCPROG IS Electronics Products

#### General description

- AM29LV010B-90JCPROG Models type: Semiconductor

AM29LV010B-90JCPROG Product Catagory:

Fast Recovery Power Rectifier Case/Package, TO-220, IGBT Module Collector Emitter, SEMITRANS, Surface mount diode, Bidirectional TVS, MiniMelf, SOD, Discrete, Standard Silicon Diode and Fast Diodes.

Looking for AM29LV010B-90JCPROG interchangeable Products?

Package marking, production information for AM29LV010B-90JCPROG is available.

electromechanicalparts.com is an Independent Electronics Distributor of the AM29LV010B-90JCPROG.
